

BANKING
REGULATION AND SUPERVISION
AGENCY

PRESS RELEASE

Issue: 2008/2

January 7, 2008

Working Communiqués are started to be Published.

The Working Communiqués which are prepared to inform the public and to contribute to the determination of policies and strategies within the framework of the Article 18 of the Regulation on Organization of the Banking Regulation and Supervision Agency are including financial sector, risk, macro economy and other subjects within the operation field of the Agency.

The first issue of the said Working Communiqués is comprised of the Communiqué titled "CRD / Basel 2 Country Practices". This communiqué is mainly comprised of three sections. The member country practices relating to the principles which take place in CRD and the guidebooks determined by the Committee of European Banking Supervisors (CEBS) are discussed in "Principles and Guide Book" section, the national preferences within the scope of CRD is discussed in "Assessment of National Preferences" section and the investigation process of the audit authority is discussed in "Audit Authority Investigation" section.

The said Working Communiqué is available on the official web-site of the BRSA as of January 7, 2008.
