

BANKING
REGULATION AND SUPERVISION
AGENCY

PRESS RELEASE

Number: 2010/20

May 18, 2010

Supporting Book Studies in Banking Field

Banking Regulation and Supervision Agency shall support book studies to be made relating to banking with a view to provide contribution to academic studies in respect of banking and information sharing in the field thereof.

Within the scope of that, the productions not published as a book and Turkish studies collected into a book from phd dissertations for the last three years shall be published.

The detailed information shall be available from the following link
