Memorandum of Understanding signed between BRSA and Astana Financial Services Authority

A Memorandum of Understanding predicting collaboration and information sharing is signed between Banking Regulation and Supervision Agency and Astana Financial Services Authority in addition to the Memorandum of Understanding dated 28.08.2009 signed with Committee of the National Bank of the Kazakhstan.

The said Memorandum of Understanding, pursuant to the Article 98 of the Banking Law Nr. 5411 providing cooperation and sharing of information with supervision authorities in banking field, was regulated with a view to access accurate information relating to the foreign activities of banks and financial institutions found in both countries, and to compose an institutional framework that shall ease the cooperation in cross-border supervision and surveillance fields and to provide the sharing of institutional experiences and mutual training opportunities.

Respectfully announced to the public.
