

Press Release About On Macroprudential Measures

01/07/2021

As macro prudential measures taken in coordination with relevant institutions, with the Resolutions numbered 9645 and 9646 of the Banking Regulation and Supervision Board taken today; it has been decided to

- To increase the risk weights of personal credit cards and consumer loans,
- To make changes to the maturity limits of some consumer loans, loan value ratios and credit card installment limits.

Respectfully announced to the public.
